

Dobbin Sprint detail

The dobbin sprint will be a single attempt event (they will be no retries, etc.) The details for the entry lap, flying lap and slowdown/leaving the track are below.

Note:-

- a) All skaters must be ready to go in the correct order and when informed to do so by the official. Fail to do so, will result in a DNS (Did Not Start)
- b) There will only be a single attempt – in the event of a fall, etc the skate must complete the lap for the time to count.
- c) Passing through the line on the slow down lap, or failing to leave the track before cone 3 will result in a disqualification.
- d) The referee's decision is final.

Note:- Changes on the day may ONLY be made at the discretion of the Referee and assistant referee
